DIVERSITY AND COLOUR

one happy family

The gerbera is a flower that excels in diversity and colour, making almost anything possible. To make it easy, we have brought the seven categories together.

GERBERA
LARGE

the classic lady

This classic lady is a loyal friend to everyone. She is available in almost every conceivable colour and can therefore adapt very well to her surroundings.

GERBERA
MINI

the mood maker

Mini is the little sister of gerbera Large. The must have addition for creating an atmosphere. Whether you put them together in a bouquet or individually in vases.

GERBERA
NANO

the real sweetheart

"Small is beautiful" is the perfect description. Subtle, refined and full of charm, she knows how to let you fall for her. With her lovely appearance, Nano is a real sweetheart.

GERBERA
SPHERE

the graceful lady

Discover every layer this stylish lady has to offer. The fantastic spherical shape convinces with content, has style and gives a royal touch to every bouquet.

GERBERA
SPIKY

the crazy girl

This crazy girl has character. A remarkable flower that likes to stand out and attracts attention. Spiky is a bit crazy, but that's what makes her so attractive.

GERBERA
CURLY

the cheerful dancer

Her leaves seem to dance in a bouquet. She is cheerful, lively and surprising. Curly really catches your attention. Perfect to leave an unforgettable impression.

GERBERA
BI-COLOUR

eye-catcher in colour

Looking for a special flower that stands out in terms of colour? With the colour explosion of Bi-colour you really feel special. The eye-catcher in colour.
